

Overseas Private Investment Corporation

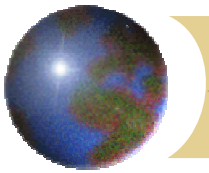

**Liberia Private Sector
Investment Forum**
*‘The New Liberia –
Open for Business’*

What is OPIC ?

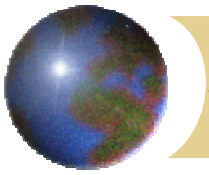

- ❖ Fosters economic development in new and emerging markets.
- ❖ Helps U.S. businesses and their foreign partners invest overseas.
- ❖ Compliments the private sector.

What is OPIC Political Risk Insurance?

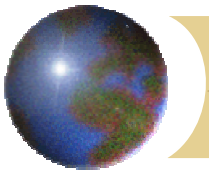

- ✚ Insures U.S. investors against political violence, expropriation of assets by foreign governments, and the inability to convert local currencies into U.S. dollars.

What is OPIC Finance?

- ✦ Provides financing through direct loans and loan guaranties for medium and long term private investment – ranging from \$100,000 to \$250 million.

What is OPIC's Investment Funds Program?

- Supports the creation of privately owned and managed investments that make direct equity and equity-related investments in new, expanding, or privatizing companies. These funds have a regional or sectoral focus.
